RAILROAD SERVICE

Supplementary Report.

The B. & M. railroad decided to cut our passenger and mail

service, to one train each way in the middle of the day which when traveling was difficult, would make it impossible for a person, living on the R. F. D. route, to mail a letter and have it go the same day, and no one could leave town and have any time to do business in any city and return the same day, neither could milk be shipped to Boston. Therefore, complaint having been made and the seriousness of the matter seeming to warrant, the selectmen made petition to the Public Service Commission, and took counsel, and otherwise brought pressure to bear upon the railroad, with the result that a new train schedule was offered by the railroad. It being a much more workable schedule than the one in use at the time, it was accepted by the committee of the several towns, which had been formed to give strength to the petitions and thus create a pressure that would guaranty the granting of our petitions by the B. & M. railroad.

REPORT OF SUPERINTENDENT OF SCHOOLS.

February 4, 1929.

To the School Board and Citizens of Fremont:

I herewith submit to you my second annual report as Superintendent of Schools.

Your schools were opened September 4, 1928, with the following staff of teachers:

Grammar School—Mrs. Clara A. Towle; graduate of Sanborn Seminary, '10.

Primary School—Irene F. Harvey; graduate of Plymouth Normal, '26.

Pine School—Blanche Beaulieu; graduate of Sanborn Seminary, '22.

South School—Helen E. Preston; graduate of Plymouth Normal, '26.

The only change in the teaching staff came in the South School, where Miss Helen Preston of Auburn took the place of Miss Marion Welch, resigned. Miss Preston came to you with the best of recommendations and is evidently living up to them. The combined experience of your teachers is now 16 years.

The following pupils were graduated from the Eighth Grade last June:

*Bernard Davis	Annie Rogers
*Florence Kelley	Rowena Rogers
Fred LeClair	*George Spaulding
*Marguerite LeClair	*Heywood Stevenson
Samuel Pratt	Elbridge Young

*The star indicates that the pupil entered Sanborn Seminary this fall. That only 50 per cent of your graduates entered high school is worthy of your consideration. The value and almost necessity of high school training are becoming more and more evident.

Other Fremont pupils in High School are:

SANBORN SEMINARY.

Grade 12

Avis Clement
Albert Moore
Frances Philbrick
Gerald Towle

Grade 10

Violet Bennett
Gertrude Campbell
Mazie Charron
Mildred Meteirer
Bertha Smith

Grade 11

Kathleen Davis
Lenora Rock

Grade 9

Robert True

EXETER HIGH SCHOOL.

Williard Robertson

KIMBALL UNION, MERIDEN.

Ruth Robertson

Hildegard Robertson

Keeping in touch with Honor Rolls of these schools, you will find some of your pupils attaining high averages in their work. I am pleased to report to you that recent releases from Sanborn Seminary show that the pupils from Fremont are on the honor rolls in their respective classes in greater numbers than last year. This speaks well for their preparation as well as for their interest and ability. I urge you to commend these young people and encourage them in their efforts.

Note the following table of pupils neither absent nor tardy during 1927-28:

Pupil

Bernard Davis
Winsor Davis
Florence Kelley
Fred LeClair
Carrie Proctor

Parent

Frank Davis
Frank Davis
Albert Kelley
George LeClair
George Proctor

Annie Rogers	Percy Rogers
George Spaulding	Josiah Spaulding
Heywood Stevenson	Lester Stevenson
George Rogers	George Rogers
Lyndsey Young	George Lyndsey
Warren Smith	Forrest Smith
Louise Smith	Forrest Smith
Sidney Bishop	Alonzo Bishop
Julia Guyette	Fred Guyette
Laurence Metevier	Bernice Metevier
Marie Warner	Marie Warner

As the credit for such commendable attendance is often due the parent, his name is given as well as that of the pupil. I call your attention to the fact that this list is longer than that of last year, which shows progress in the right direction.

In reading this report please note the table of attendance statistics given on another page. It shows a number of interesting things. There is an increase in pupils enrolled of 18. The percent of attendance was better in 1927-28 as compared with 1926-27. The number of tardinesses per pupil was reduced slightly. We hope for further decrease in this item this year and ask your co-operation. Tardiness is an evil which should be seldom tolerated. The number of visits by parents and citizens has increased. I am very proud of that. I called your attention to a loss in the last report and now you have nearly doubled the previous record. Some parents make it a practice to visit their schools once a week. I urge you to think seriously about adopting their practice.

In the interests of safety for every child in Fremont, I ask your co-operation in the elimination of every possible danger to the children while on the way to and from school. The National Council of Safety recommends that school children be taught to walk on the left-hand side of the road where there are no sidewalks. The reasons for such procedure are that autos approaching from the front can be seen and a move made to step aside, while autos approaching from the rear pass on the right-hand side of the road with less chance

of striking a person in case he did not hear them. I urge your assistance in this respect toward the instruction of your boys and girls.

One of my fondest hopes is that every district in the Union shall organize a Parent-Teacher Association. Some in my position oppose them; others encourage. I am pleased to be counted among the latter. As the stimulus for a successful organization must come from the outside, I await any interest that this note may arouse. Other organizations around us are doing splendid work. Certainly, a live, active Parent-Teacher Association can do much for the interests of your children.

In closing this report, I take this opportunity to thank the School Board, teachers and citizens of Fremont for their co-operation with me during the trials of my first year. It has been splendid. I trust in its continuance.

Respectfully submitted,

HAROLD C. BOWLEY,
Superintendent of Schools.
